Mr. Brickell Begins First Year as Superintendent

Superintendent Edward E. Brickell, Jr.

Superintendent Brickell reaches for one of many references.

In September, 1968, Virginia Beach students had a new experience. Girls were allowed to wear pant-dresses and boys could wear Levi's. This change came about due to the efforts of our new Superintendent of Schools, Edward E. Brickell, Jr. Other improvements included an increase in teacher's salaries, continued school construction, the modernization of the curriculum, and the reorganization of the administrative and supervisory structure. Mr. Brickell received his B.A. in English from the College of William and Mary, and his M.A. in English from the University of Chicago. Quite a scholar, he was named to Phi Beta Kappa, Phi Delta Kappa, Kappa Delta Pi, and Quill and Scroll. In the spring, he was one of a group of thirty school superintendents selected from the United states, named by the American Association of School Administrators, to go on a three week study mission of the schools in Sweden, Norway, and Denmark.

Mr. Brickell ends yearbook interview on cheerful note.

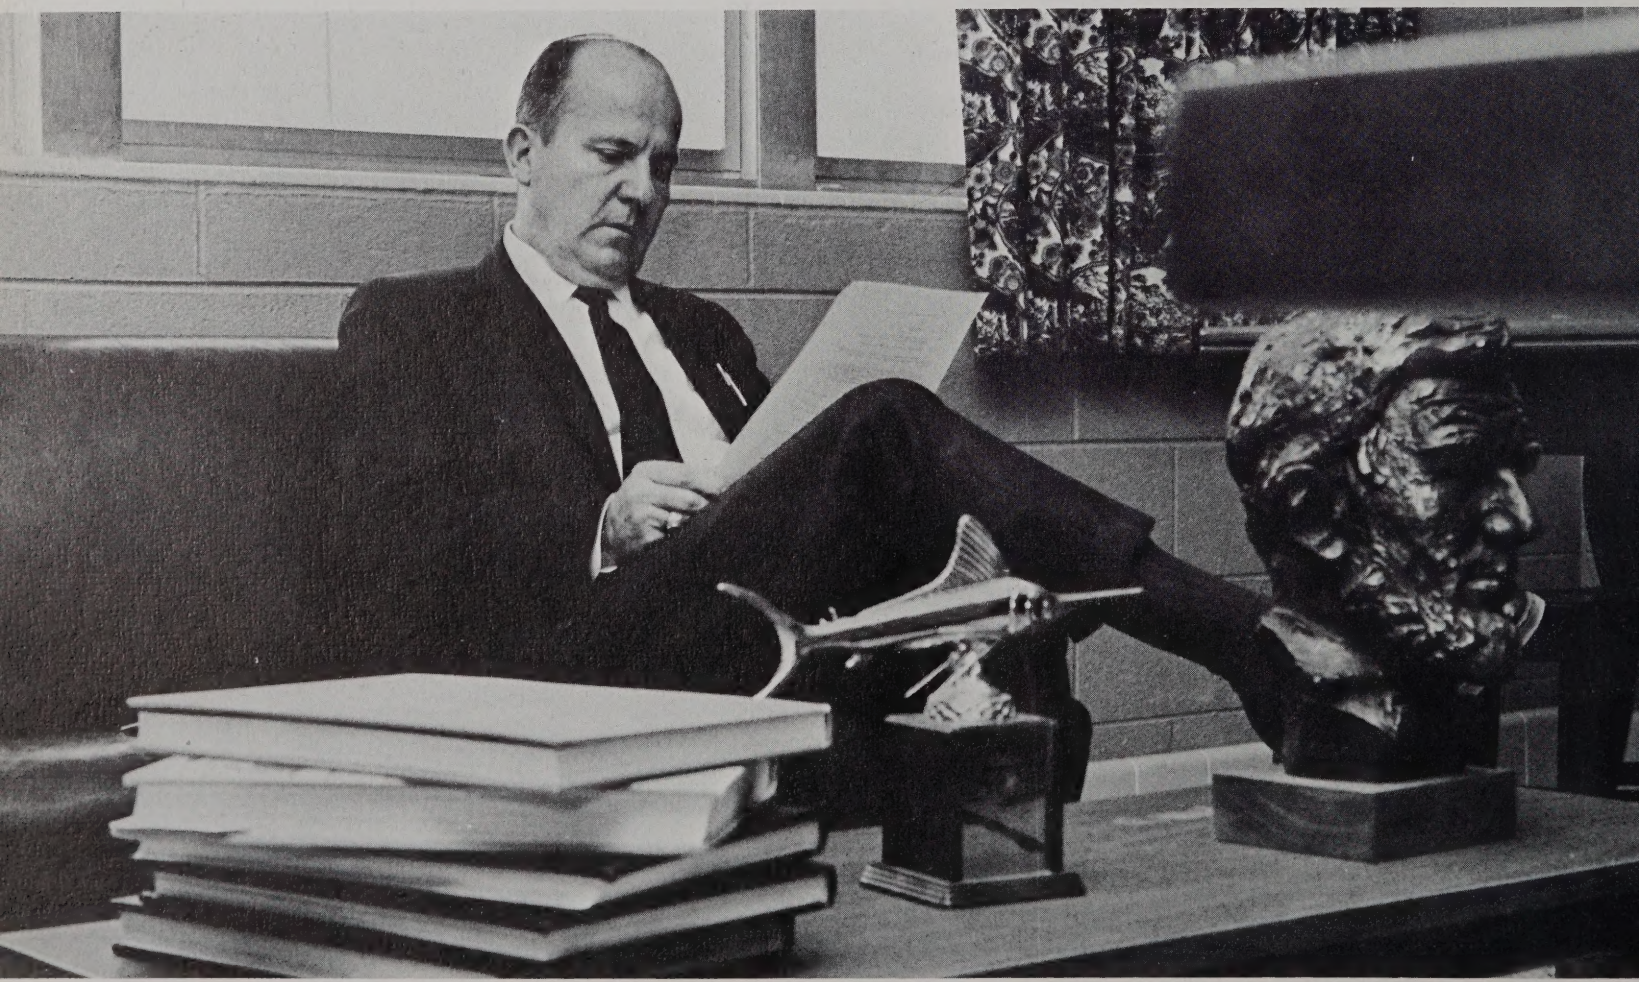
Proofreading a letter, Mr. Brickell indicates corrections to his busy secretary.

Pondering the day's events, Mr. Brickell pauses for a moment.

Principal Letcher A. Hill Attends SASSC Convention

A graduate of East Tennessee state University and recipient of a M.A. in Administration from George Peabody Teacher's College, Mr. Hill has served as Bayside's principal for three years. As a member of the Southern Association of Secondary Schools and Colleges, he dealt with the problem of improving and upgrading the standards of Southern schools. At Bayside, Mr. Hill began a typical day by arriving at school at 7:30 A.M. to see that the school was properly opened. It was his job to meet with the department chairmen every Monday, and to chair general faculty meetings where all problems were ironed out. Mr. Hill served as the coordinator of the office help and interviewed prospective teachers. When not involved in school problems, Mr. Hill relaxed by playing golf and working to beautify his home.

Superintendent Brickell and Mr. Hill discuss graduation plans.



Sitting in the conference room, Principal Letcher A. Hill reviews daily correspondance.

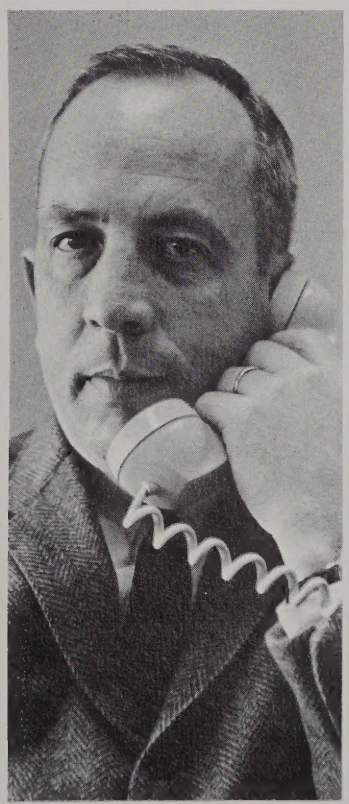
Mr. Levinson, BHS's disciplinarian, rushes to handle a problem.

Mr. Levinson served as Bayside's administrative assistant principal. He was in charge of all discipline, the student parking lot, text books, attendance, and seeing that the cafeteria and corridors were working in an orderly manner. A graduate of East Carolina College, he received his B.S. and M.A. in mathematics. Having taught math at Kempsville for five years, he later became the assistant principal there. He has been at Bayside for three years.

Mr. Levinson discusses a student's schedule conflict with Mr. Wilson.

Asst. Principals Levinson and Gilliam Improve BHS

Mr. Gilliam tabulates Seniors' class ranks.



Phone calls are a daily part of Mr. Gilliam's job.

As the instructional supervisor at Bayside, Mr. Gilliam's job had many aspects. Having charge of curriculum, he helped in the selection of instructional materials used in the classroom. A very busy man, he began a typical day by calling substitutes to be sure all classes were covered. He was busier than usual around exam time, when it was his job to review exams and help compute the Seniors' class ranks. In addition to his work at school, Mr. Gilliam attended the convention of the Southern Association of Secondary Schools in Atlanta, Georgia and the regular meetings of the Virginia Beach School Board. He also served as chairman of the Association of Assistant Principals, the teachers' guidance counselor, and director of the Eastern District Basketball Tournament.

John Ciardi Inspires English Department

Bayside's largest group of teachers, the English department, numbered 19 this year. Four new teachers were added to the ranks of this department: Mrs. Puschauver, Mr. Wilson, Mr. Boyd, and Mrs. LeBlanc, who did her student teaching at BHS. Members of the English department were truly inspired by a lecture given by Dr. John Ciardi at Princess Anne High School on his method for teaching reading—through the use of poetry. Use of the overhead and opaque projectors was included in the curriculum of the English classes.

Music Enriches BHS

Promoting the skills of choral music, Mrs. Whitlock directed three choruses and a highly skilled madrigal group. The department also offered courses in music appreciation and theory. The instrumental section of the Music department was headed by Mr. Doyle. He offered the students of Bayside a chance to develope their musical talents, while at the same time gave the student body the best in musical entertainment. Through the Marching Marlins, the Concert Band and the new and unique Stage Band, students learned to appreciate music in all forms.

Art Sketches Beautify School

Expansion of materials and interest in Bayside's Art department gave teachers a freer ability to teach interested students this year. The more advanced classes began to use silk screens and batiking materials for finer work; advanced painting in oils and acrylics was stressed in an added course, Art IV. Together, Mrs. Barnes and Mrs. Dowd supervised all projects and exhibitions. One of such accomplishments was the Traveling Exhibit of the World's Great Drawings earlier this year at the library entrance. Bayside's Art department became a more prominent part of the total school curriculum.

A-LM Promotes Language Fluency

This year Bayside High School continued their use of a special method for teaching foreign languages. The method taught the student to think in the language and to give an automatic response when questioned in the language. Through the use of carefully structured questions asked by the teacher, the student learned to manipulate and use the language creatively. Also, students were taught to understand and speak the language before they learned to read and write it. Thus speech patterns were well developed before they tackled the other aspects of the language. To better equip students for college work, two new courses, Spanish V and German IV, were added to the curriculum.

Library Redecorates for Changing Needs

Complete redecoration of the library meant a broader selection of reading materials, both magazines and books, for Bayside students this year. Stress on non-fiction books helped to fill empty spaces, and a separate magazine area added to the library's new grandeur. Mrs. Sachon and Mrs. Polizos instructed their assistants in an unique method of lending books, a system excluding overdue fines. Developement of Bayside's library gave students more room and a greater abundance of literature from which to choose.

Striving for perfection summed up the goal of Bayside's Business Education department. Better machines of modern use and thorough courses of secretarial study helped to prepare business-interested students for future jobs. Vocational office training, a two-credit course, offered any senior on-the-job and classroom practice toward perfected work habits. A new staff worked with Miss Hechtkopf, chairman, to instruct interested students in learning a career for the future.

Individuality of Students Sought by Counselors

With a student body of over 2,300 this year, Bayside's counselors encountered many diverse problems and responsibilities. The counselors' job was a difficult one. He needed to know the individual student in order to help him with his adjustments and personal problems. The counselors administered testing programs and interpreted the scores in relation to the students' future plans. In many ways, the counselors helped to make high school days some of the happiest days of our lives.

Secretarial Staff Assists Both Faculty and Students

The unrecognized group of women who strived constantly for school benefit was Bayside's secretarial staff. Mrs. Chowns kept the school's books and Mrs. Christian was counseling secretary. For the second consecutive year these women, including Mrs. Meekins, Mrs. Fields, and Miss Stokesberry, instructed office assistants in secretarial duties. These students were a lot of help to Bayside's busy businesswomen.

Homecoming 1968
Marlins Take Command

Bayside's busiest and most spirited week of school was October 14-18—Homecoming Week. Opening with the announcement of Pat Byrns, Anne Hill, and Sue Keller as the Senior attendants, the activities rapidly continued with Tassel Day, Beanie and "B" Day, Alumni Day, and Quiet Day. The finale to Homecoming Week came on Friday night when Bayside's Marlins played the Cradock Admirals. During halftime the winning floats were presented with FTA receiving first place, Key-Keyettes, second, and Honestate, third. The highlight of the night and of the whole week was the crowning of Miss Anne Hill, 1968 Homecoming Queen.

This year, the Annual staff set January 25 as the date for the fourth annual Queen Mariner Dance. The court consisted of eight girls selected by elections in each grade. Jody Wertz was voted eighth grade attendant; the ninth grade selected Lorraine Mondrella to represent them on the court. Meg Norton was chosen as the Sophomore representative while Juniors elected Patty Scott and Bonnie Mills. Most attention, however, was focused on the three Senior girls, Sheila McWaters, Pat Byrns, and Sue Keller, one of whom was to be crowned Queen Mariner. Tension mounted as the attendants lined up for the long-awaited announcement. Mr. Fitzgerald had the honor of crowning Miss Pat Byrns Queen Mariner IV.

Bayside's Outstanding Seniors Chosen

"The final test of a leader is that he leaves behind him in other men the will to carry on."

—Walter Lippmann

This year, as in the past, the Bayside faculty was given the opportunity of choosing those Seniors they felt deserved recognition for the services they had done their school, class, and clubs. The result of this balloting was the selection of Bayside's Outstanding Seniors.

Ted Clemons and Chuck Greer Lead Class of '69

Bayside's closest race in history for the position of Valedictorian developed when Chuck Wise, Ted Clemons, Maureen McHenry, and Chuck Greer all had final averages that were within a few hundredths of a point of each other.

This year's Salutatorian, Chuck Greer, divided his time and attentions between making Bayside's band Virginia Beach's best and heading the Principal's List.

Valedictorian Ted Clemons has served Bayside to his capacity for five years. Twice he held the office of SCA President. Ted was selected to attend the National Student Council Convention in Philadelphia and was also chosen Tidewater's Outstanding Teenager in his Junior year. The National Senior Honor Society and Madrigals rounded out his lengthy list of activities.

Valedictorian Ted Clemons and Salutatorian Chuck Greer argue fine points of a physics problem.

Anne Hill and Chuck Wise Selected Outstanding Teenagers by Faculty

Each year the Optimist International presents the Optimist Awards to the two top teenagers as determined by the school's faculty. This year's awards went to Anne Hill and Chuck Wise.

With the arrival of June, Anne Hill completed a busy year at BHS. She was a varsity cheerleader, a National Merit semi-finalist, and a member of the Scholastic Team. Anne also had the honor of being Bayside's 1968 Homecoming Queen.

Chuck Wise chaired the ICC and was also a member of several clubs. Chuck received a National Merit Scholarship letter of commendation and a Presidential appointment to the U.S. Naval Academy.

Bayside Represented at Boys', Girls' State

Delegates to the 1968 Boys' and Girls' State were chosen from the rising Senior Class by Bayside's faculty. The conventions, sponsored by the American Legion, were designed to familiarize today's youth with the machinery of their government and how it operated. William and Mary was the site of Boys' State, while the girls went to Radford College. The experience gained at these training conferences proved beneficial during the '68-69 school year.

Georgia Tuttle and David Foster were the Freshman representatives on the team.

Because of their outstanding grades and participation in school activities, Sophomores Lloyd Bohn and William Nelson were selected to be members of the team.

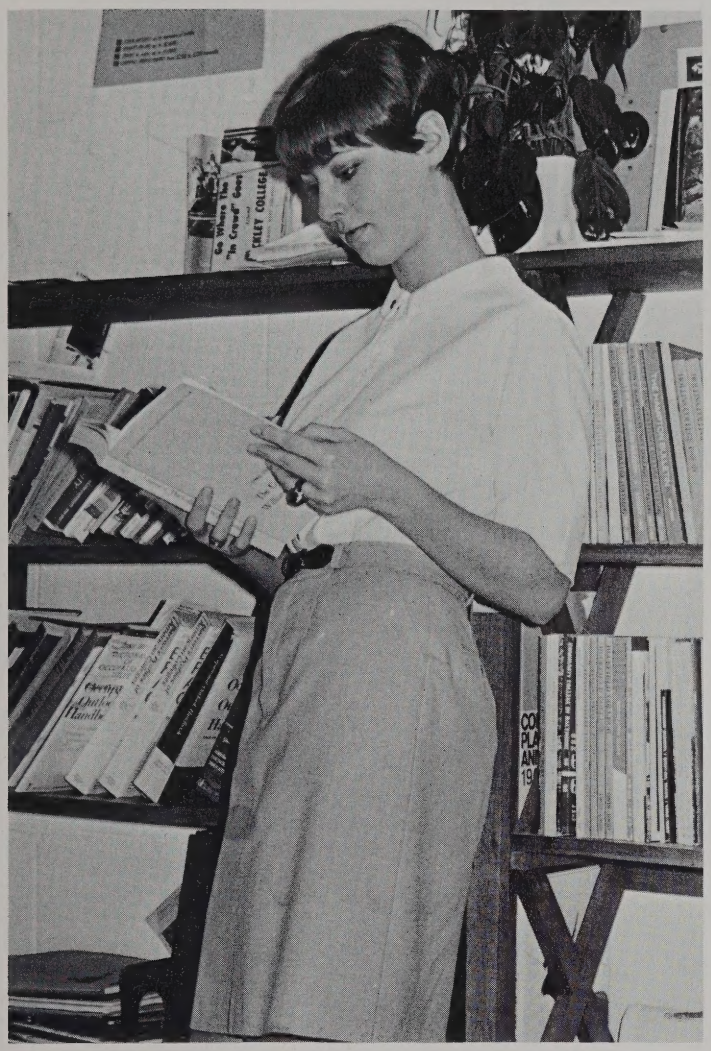
Junior Audrey Mitchell was a member of Keyettes, the National Honor Society, and served as the Junior class chaplain.

Other than the Art and Pep Clubs, Barbara Klingberg, a Junior, was a contributing member of the National Honor Society.

Varsity cheerleading, Keyettes, and the Honor Society filled all of Senior Anne Hill's spare time.

Ted Clemons, Senior, devoted his time to the Madrigals, the Honor Society and serving as SCA President for two years.

BHS Has First National Merit Semi-Finalists



Maureen McHenry

In the National Merit Scholarship Program's last search for talented youth, Bayside was honored by having three of its Seniors recognized for the outstanding rankings they achieved on the qualifying test. Anne Hill and Maureen McHenry were selected as semi-finalists and vied for the services designed to increase financial assistance for able college-bound students. Also competing for these scholarships was Charlene Jones who qualified as a semi-finalist in the National Achievement Scholarship Program for Outstanding Negro Students. All these girls should be congratulated not only on their merit, but for being the first students from Bayside to be chosen in the semi-finals of the NMSC.

As the 1968-69 school year commenced, Bayside's Seniors paraded through the Senior Door on their way to class. As leaders for their last year at Bayside, honors and special privileges were bestowed upon the Class of '69. A Senior Table in the lunchroom was hands-off to Underclassmen, a new flag flew above the Senior Courtyard, and the unwritten law of sponsoring the first dance was obeyed. College applications were mailed, and acceptance was nervously awaited. The Graduating Class won the esteem of the whole school by sponsoring the March, 1969, Miss Bayside Pageant. Senior Appreciation Week, held in January, included a breakfast, dress-up day, and a private party. On May 16, Bayside's Class of '69 held their traditional Prom, accented by the Blue-Eyed Soul. Graduation on June 12, 1969, brought the year to its anticipated finale.

Returning to Bayside in September 1968 as Juniors, the Class of '70 faced the challenges of another school year. An assembly at the beginning of the year laid the initial groundwork for unity among class members. Juniors sponsored a "Win or Weep" dance after the Kellam game, sold Bayside pennants, entered a float in the Homecoming competition, and papered the walls with an array of spirit boosting posters. To measure their ability to perform college work, the Juniors were given a barrage of tests including the PSAT's and the National Merit Qualifying Test. Knowing how to work and how to have fun, the Class of '70 climaxed a busy year with the long-awaited Ring Dance.

Bayside's Class of '71 was really in the swing of things this year. A spirit committee and interested students worked hard to become the first class to win the Spirit Jug. Selling confetti at football games, making and selling the links of spirit chains, and sponsoring a dance on March 29 were the Sophomores' major money-making projects. Sophomores showed their concern for others less fortunate than they by donating canned food to the SCA Christmas food drive. Sophomores can proudly look back on a rewarding year of well accomplished activities, and can take their additional high school steps with the knowledge that they are a firmly-established class.

Class of '72 Return as Freshmen

Ninth graders possessed a feeling of security as the school year began. They had one year of experience and many friends to depend on, and the pattern of high school life was now firmly established in them. The Freshmen felt the necessity of working for good grades and participating in bettering their school. More clubs opened their doors to the ninth graders and gave them positions of responsibility. Kay Jackson, Freshmen president, led the ninth grade class in all their successful projects, including their Halloween party at Saint Mary's Infant Home, their much appreciated help in the SCA food drive in December, and their assistance with two handicapped children at Christmas.

Left to right, 1st row: A. Tarkenton, Parliamentarian; K. Jackson, President. *2nd row:* Miss Ervin, Sponsor; E. Garton, Historian; P. Keller, Secretary; D. Henry, Chaplain; M. Robertson, Treasurer; Mrs. Huling, Sponsor.

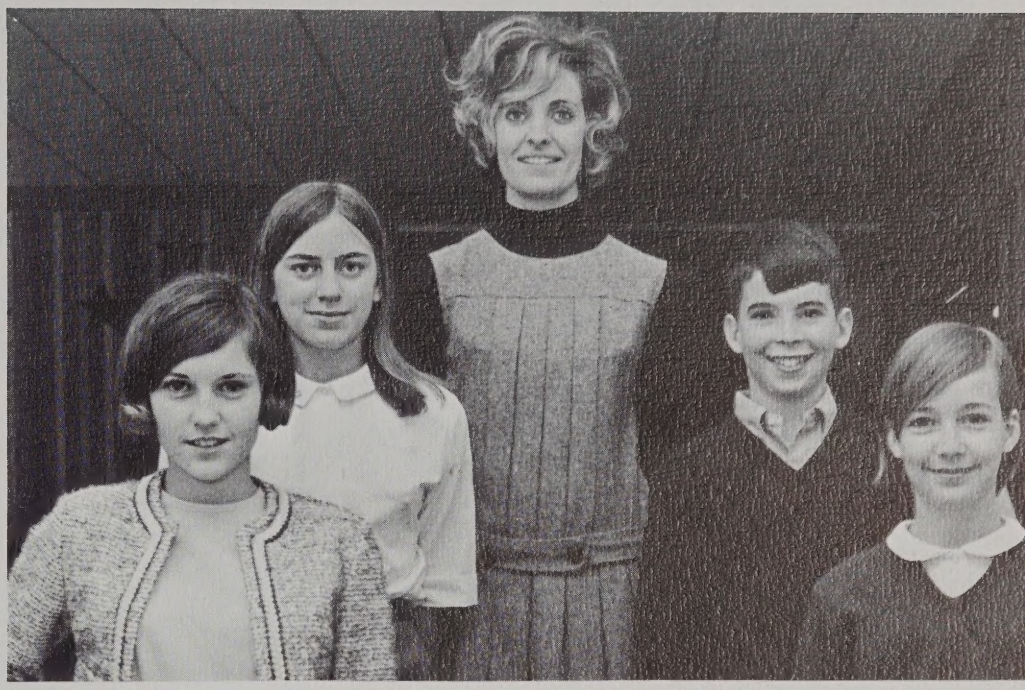
Class Officers Elected by 8th Grade

On September 6, 1968, Bayside High filled with students of all ages, sizes, and shapes; however, it was not hard to distinguish the eighth grade class. With looks of fear, bewilderment, and astonishment, they entered this unfamiliar building. Fortunately, Meet Bayside Day had acquainted the Pre-Freshman class with many aspects of high school life. They then proved themselves through accomplishments such as capturing the spirit jug and conducting the class elections smoothly. Eighth grade president, Debbie Dickason, gave encouragement when needed and praise when deserved to her fellow classmen. This successful initiation into high school life had certainly prepared them for the coming years.



Left to right: J. Wertz, Vice President; D. Dickason, President; Miss Predmore, Sponsor; J. Gaffney, Treasurer; P. Jaeger, Secretary.

SCA Hosts District Convention

Bayside's link between the students and administration, the SCA carried out many successful projects this year. As always, their first project was the sale of SCA cards. Eighth graders were thankful for "Meet Bayside Day" which helped to familiarize them with the school. Eighth grade elections sponsored by the SCA proved to be very successful. Homecoming, one of the highlights of the year, was well planned and enjoyed by all. Quiet Day brought a hush over the school and a nice sum of money to the Senior class. Alma Mater Week filled students with a sense of loyalty and pride for Bayside. Mock elections were held to encourage students to take an interest in politics. The SCA sponsored the Cox-Bayside faculty game and co-sponsored with the ICC and WGH-Michrophonies-Faculty game. The faculty was victorious in both games. The proceeds from one game went to the Joy Fund, and the profits from the other game were designated for an SCA handbook. In many ways, it can be said that this was the SCA's most successful year ever.

Kathy Schmitt completes routine during Homecoming halftime.

Performing on the field at Bayside's 1968 football games, the Marching Marlins entertained during halftime. Two concerts were given in January and May for BHS music lovers. Profits from the concerts and candy sales earned money for needed equipment. Varied formations were prepared for the Azalea and Armed Forces parades, in which the Marching Marlins represented Bayside extremely well. All Bayside turned out for the school Christmas Concert given by the Dance Band. Auditions and attendance to rehersals and performances was mandatory for all Bayside's band members.

Chorus Participates in All-Tidewater Workshop

Members of the BHS chorus were some of the hardest-working students in the school. Many hours of strenuous practice went into the production of their annual concert. Chorus members participated in the Tidewater workshop and presented a Christmas program with the band. More recognition and praise should be given to these well-deserving students.

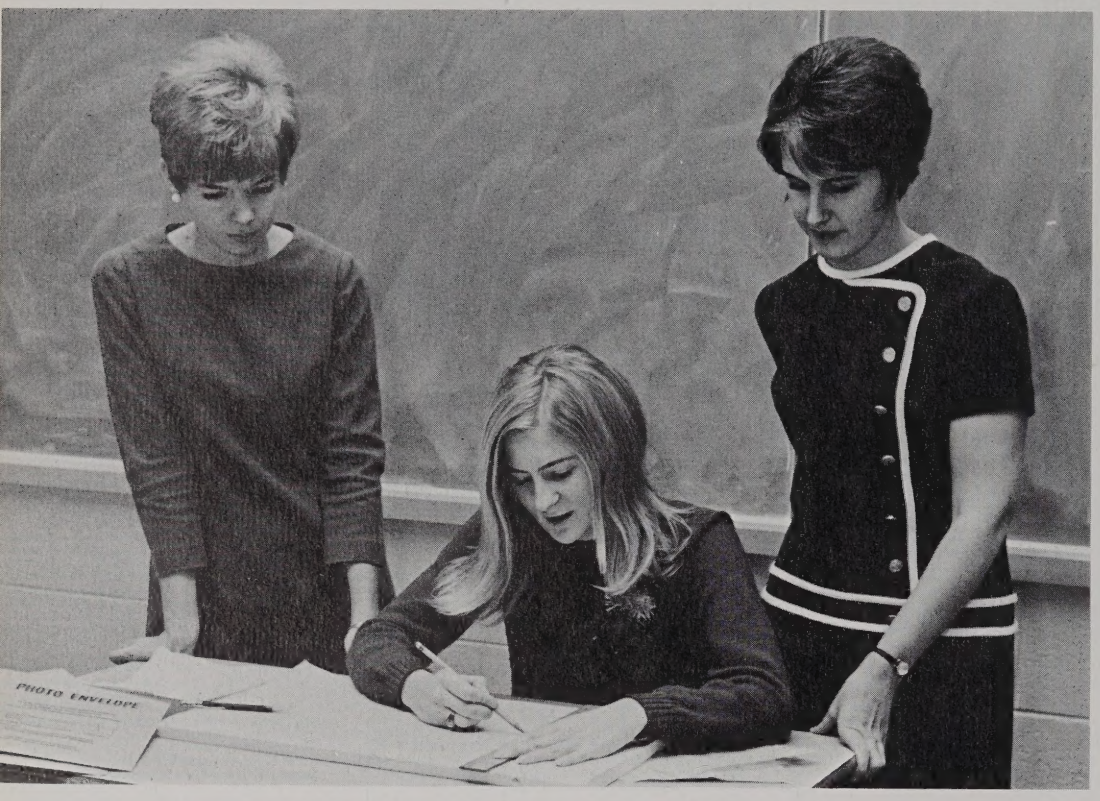
Yearbook Staff Celebrates Mariner's 5th Anniversary



Left to right: Miss Barrett, Sponsor; Pat Early, Editor; Miss Erskine, Sponsor.

Striving to uphold the winning tradition of the *Mariner*, members of the annual staff worked many long hours to produce a yearbook that would be a credit to the school. Not only deadlines had to be met, but the Queen Mariner dance, held on January 25, had to be planned. Many crises arose, such as typewriters that didn't work and having only 24 hours in a day. However, all obstacles were overcome, and the *Mariner* went to press. On May 29, the date of the yearbook party, students received the final product of the staff's efforts.

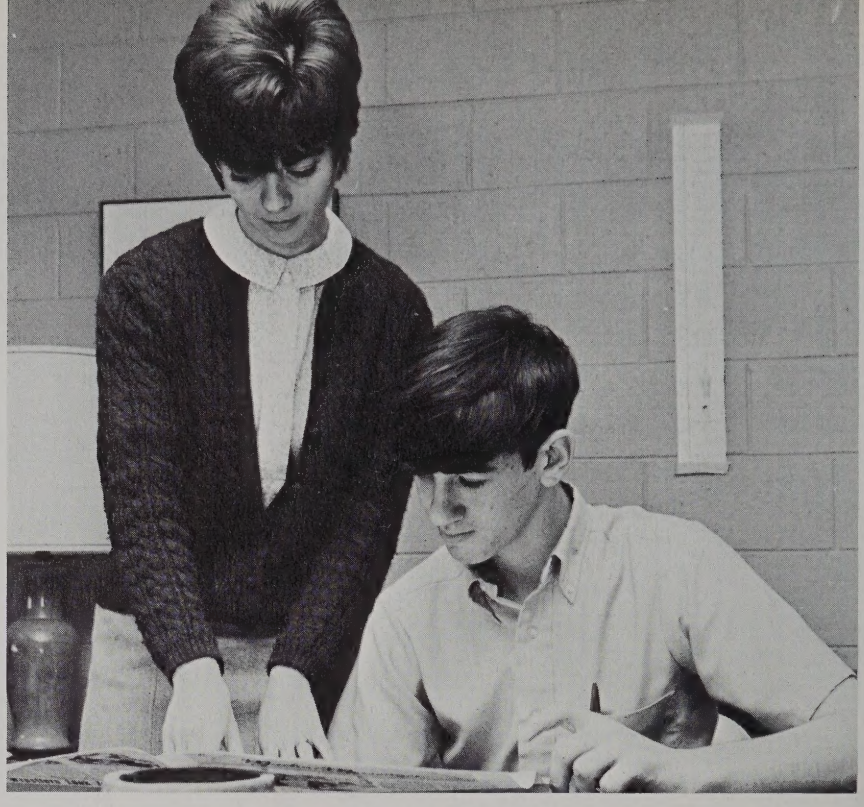
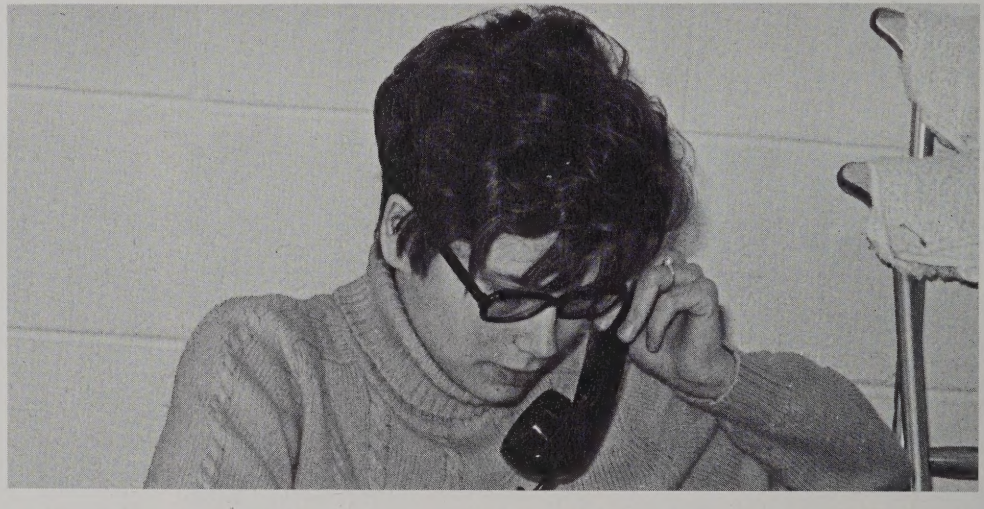
As Hunter Publishing Company's representative to Bayside, Mr. Perry gives needed aid to the staff.

"Marlin Messenger" Rated a Top Newspaper



Left to right: Mrs. Dwyer, Sponsor; Bob Dickason, Assistant Editor.

Sponsored by Mrs. Dwyer, Bayside's "Marlin Messenger" was rated as one of the top high school newspapers in Tidewater. The staff published the paper seven times a year and reported school news in an unbiased manner. The "Marlin Messenger" was the voice of the students. Anyone who wished to state an opinion, air a complaint, or give praise to the student body, the faculty, or the administration did so by writing a letter to the editor. Any student interested in journalism, willing to give up one bell without credit, and devote a great deal of time to its publication should join the hard-working staff of the "Marlin Messenger."



Editor Nancy Andrews, injured in an accident, still comes through for the "Marlin Messenger."

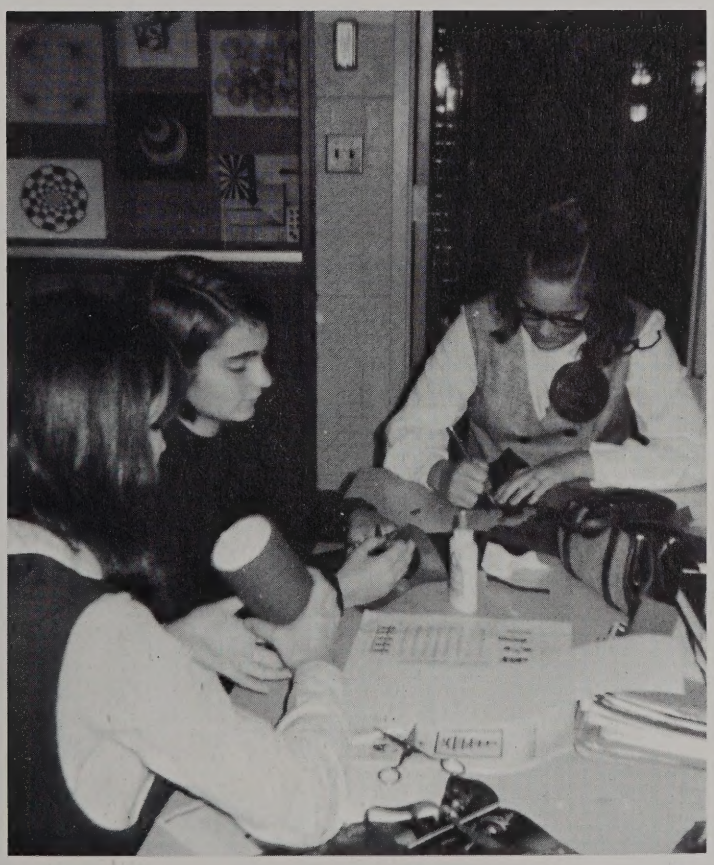
Second Spring Art Show Presented by Art Club



Denise DiVito, Debbie Givens, and Sheri Harrell draw, cut, and glue to prepare for their Christmas Crafts Bazaar.

An interest in art was the sole requirement for membership in the Art Club, and this year these members were very active and contributed much to school projects. Unique ornaments, hand-crafted by club members, were sold at the Christmas Bazaar. In the fall, the club took a sketching trip to Azalea Acres to better their drawing ability. The Second Annual Spring Art Show proved to be one of the most interesting and colorful events at BHS. The Art Club contributed greatly to Bayside by promoting and emphasizing art.

Senior Honor Society Gives Scholarship

Mrs. Humphries speaks at annual tapping ceremony.

Members of Bayside's chapter of the National Senior Honor Society were selected by a faculty committee on the basis of service, leadership, character and scholarship. The club consisted of juniors and seniors who had a "B" average with no "D's." A tapping ceremony was used as a means of telling new members of their acceptance into the club. Under the leadership of Anne Hill, members participated in a city-wide project which would allow seniors with an "A" average to be exempt from taking exams. Members attended the District Convention at William and Mary and sponsored a dance to finance a scholarship for a deserving senior.

Sponsor Mr. "G" and President Anne Hill review plans for Williamsburg trip.

"Brain Food" Sold by Junior Honor Society

Jane Whitmore is aghast at the "April Fool" car wash plans.

Bayside's chapter of the National Junior Honor Society was a group of above average 8th, 9th and 10th graders. These students had to maintain a "B" average and were selected by a faculty committee on the basis of scholarship, service, citizenship, leadership and character. In October the club sent money to the Red Cross for ditty bags for servicemen in Vietnam. Members splashed around at an "April Fool" car wash, held a "Brain Food" bake sale, and visited St. Mary's Infant Home. For fun, members built a spirit display for Homecoming Week called "Catch Those Admirals," and they held a beach party for the new members whose names were announced in May at the Awards Assembly.

Drama Club Active in Children's Theater

Troop 2825 of the National Thespian Society, headed by Jimmy Dexter, had the honor of entertaining at the State Supervisors' Convention this year. As Bayside was the host of this year's SCA District Convention, the Thespians gladly provided the entertainment for the visiting delegates. On December 11,12, and 14, 1968, their performance of "Gypsy" under the direction of Hugh R. Copeland received standing ovations from each viewing audience. "Peter Pan," a children's play and also a major money-making project, drew crowds of neighborhood children. Bayside's Thespians also participated in "Cheaper by the Dozen," "Creed's Ruritan Show," and "Fiddler on the Roof." To become a member of the National Thespian Society at Bayside one had to earn 20 points, given for meritous work in any drama-oriented activity.

Senior Committees Improve

Through its committees, the Senior Class worked to set itself apart from the other classes. Members of the Project Committee were considered the backbone of the class. Through their efforts Seniors were named the "Class of the Month" often. The Dance Committee began its work during the summer to plan the first student dance of the year. Senior Appreciation Week, held January 6 to 11, was also planned by a committee. One special privilege the Seniors received during this week was being allowed to have their own lunch line. Members of the Miss Bayside Committee put many long hours into "Grecian Paradise; theme of Miss Bayside; the contest was held on March 8. The Commodore Country Club was the setting for the Prom, held on May 16. Seniors and their dates danced to the sounds of the "Blue Eyed Soul." Graduation, the last gathering of the Seniors, took place on June 12, 1969, and brought a feeling of accomplishment to the hard-working Seniors.

FTA Raffle Profits Provide Gifts for GI's

Future Teachers of America was open to anyone maintaining a "C" average who was interested in a teaching career. Early in the year the FTA successfully co-sponsored a raffle to raise money for Christmas presents for GI's in Vietnam. A delicious Christmas bake sale also boosted the treasury. Through the club's efforts, many needy children were not forgotten at Christmas. Members attended the FTA State Convention held in Roanoke December 13 and 14 and visited Virginia Weslyen College in April. The club's float, "Anchor the Admirals' Ego," won first place honors in the Homecoming Competition.

Left to right, 1st row: K. Snow, Treasurer; K. Damron, Secretary; J. Frazier, Vice President; V. Emmett, President. *2nd row:* Mrs. Kerns, Sponsor.

FHA was a club for girls who plan to become the homemakers of America. Members taught efficient methods for cooking and sewing, and found that often many steps of a process can be eliminated with the same end result still achieved. This club was open to any girl who was taking or had completed a course in Home Economics and maintained a "C" average. An interest club, the Future Homemakers of America gave food to a needy family at Christmastime. The club also had a number of bake sales to boost its treasury and carried out a successful cookbook sale in December.

Library Drops Fines on Overdue Books

This year, the library initiated a new policy—no fines were charged for overdue books. This eliminated much work for the library assistants because they no longer had to write overdue notices. Working in the library was especially helpful to anyone interested in library work as a profession or anyone who was a lover of books.

BHS Distributive Education Club Hosts District Rally

Bayside's D.E. Club, the largest in the state, consisted of 99 ambitious students. Members began the year by hosting the district rally. In March the club observed National D.E. Month. The purpose of this celebration was to promote D.E.C.A. and to stress the 4 points of the D.E. diamond: vocational understanding, civic conscienceness, social intelligence and leadership ability. The members climaxed a busy year with their annual Employer-Employee Banquet.

Honestate Tri-Hi-Y proved itself outstanding again this year after accomplishments in money as well as service projects. The club's float, "Marlins Reel 'Em In," captured third place in the Homecoming competition. The club also won "Service Club of the Month." Honestate carried on its tradition of selling mums for Homecoming and holding its annual Flower Power dance. Honestate was chosen as a sister club by Theta Chi-Hi-Y and attended many church services with them. The club was sponsored by Miss Kelly and presided over by Susie Newman. Requirements for membership are hard work and a steady interest in the club.

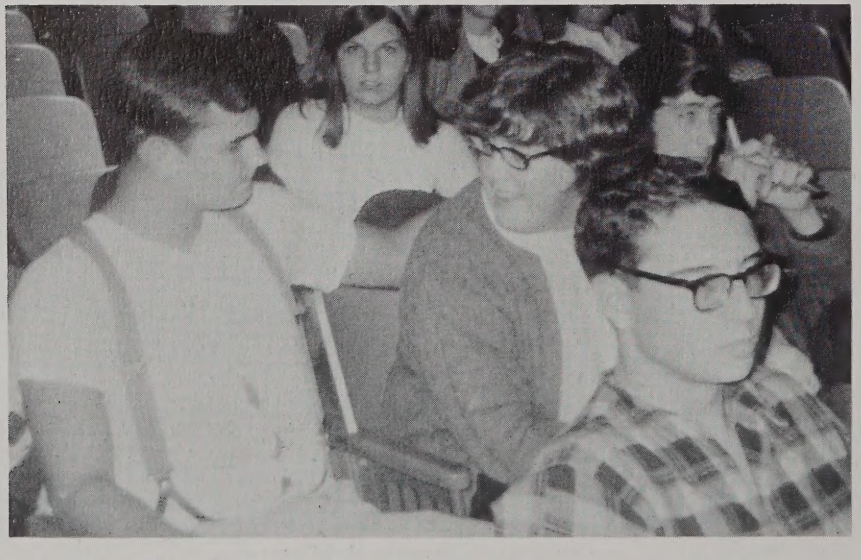
Key Club Collects Books for Tanzania

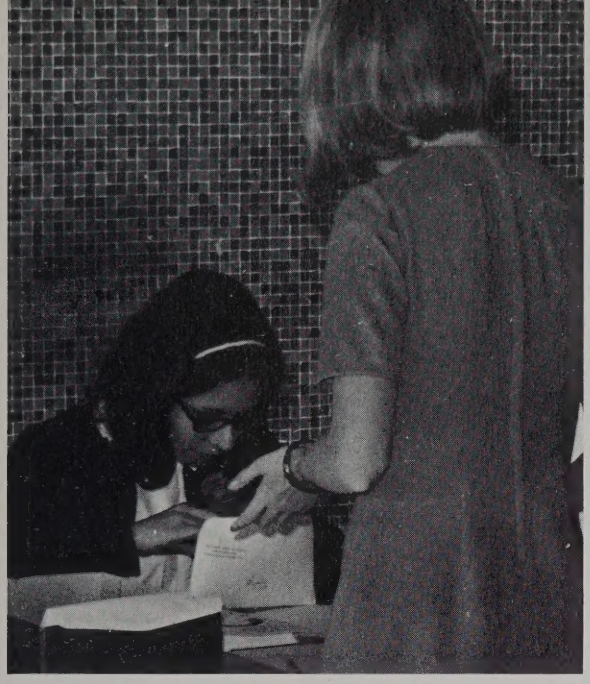
Potential slaves appear on stage before bidding begins

"Death to the Admirals" placed 2nd in float competition.



Slave Marty Deafenbaugh receives orders from master Rosie Turner.

The Key Club of Bayside, sponsored by Kiwanis International, was a service club participating in both school and communal activities. This year's theme and objectives were contained in the motto "Influence through Example", and were carried out as shown by the numerous activities of the Key Clubbers. While assisting at football game clean-ups, pep rallies, and concession stands, as well as collecting books for Tanzania, time was found to co-sponsor the Second Annual Silver Bell Ball with the Keyettes. The Key-Keyette Homecoming float, "Death to the Admirals", was awarded second place in the float competition.



Keyettes Wash WTAR Helicopter

Phyllis Meyer busily registers delegates at SCA Convention.

Living up to their motto "We Serve," Bayside's Keyettes served the school and community in many ways. Members planted bulbs in the Senior Courtyard, registered delegates at the SCA Convention, helped at the Girls' Club, and washed the WTAR "Go Patrol" helicopter. The Keyettes collaborated with the Key Club on many of their projects. Among these were the Slave Sale, the Silver Bell Ball, and Christmas caroling through Lake Shores. In February the Keyettes made a floury mess of the school kitchen as they prepared their pancake dinner. This event was planned for the night of a basketball game, designed to attract hungry spectators. Thus, the club received "Service Club of the Month" often.

Christmas Stockings Made by Sigma Theta Delta

A service organization, Sigma Theta Delta Sr. Tri-Hi-Y aided many persons less fortunate than they. Members gave a food basket to a needy family at Thanksgiving, made Christmas stockings for poor children, and aided in the support of a handicapped child in Lynchburg, Va. In Febuary, the club held a Mother-Daughter Banquet and co-sponsored a dance with Kappa Sigma Chi Hi-Y. Members also had a party with Kappa Sigma Chi and held several bake sales.

The club completed an impressive array of service projects including "Trick or Treat for UNICEF," a fruit basket for the Old Folks Home at Thanksgiving, and Christmas caroling for the Old Folks. Bake sales and doughnut sales dominated their moneymaking projects, and an occasional car wash added more funds. For fun, the members constructed a float for the Homecoming competition and had a slumber party.

Successful Cake Walk Sponsored by Iota

Founded on Christian principles and nationally affiliated with the YMCA, Iota Sigma Epsilon was open to any sophomore, junior, or senior girl maintaining a "C" average. This year members ran a cake walk at Bayside Elementary School, and earned over $100 for the PTA. A "Safe Driving Campaign" conducted by the members stressed safety behind the wheel. Also, a food basket was donated to a needy family at Thanksgiving. The annual powder puff football game with rival Honestate proved to be a highlight of the year. Alpha Delta Y-Teens Travel to Washington, D.C.

Sponsored by the YWCA, and open to any interested girl, the Alpha Delta Y—Teens were very active this year. The club co-sponsored a raffle to raise money for Christmas presents for servicemen in Vietnam, held a car smash for Homecoming, and co-sponsored a dance in March. Members took in the sights in New York for 4 days in April, and traveled to Washington D.C. November 10 and 11 for YWCA World Fellowship. In February, girls around school sported red and white garters made by the Y—Teens. For fun, members held a slumber party at Birdneck Lodge. The goals of the club were to grow as a person, to grow in friendship with people of all races, religions, and nationalities, and to grow in the knowledge and love of God.

Theta-Chi Hi-Y: New Club With New Ideas

Marty Deafenbaugh and John Byrnes diagram the use of their trash barrels that were placed in the parking lot.

Although this was only its first full year in existance, Theta-Chi Hi-Y made itself well known at Bayside High. The objectives of this new service club were to create, maintain, and extend high standards of Christian character throughout the school and community. The members kept themselves busy with such projects as their first annual "Turkey Day Safety Check-Up," securing barrels for the parking lot to be used as trash cans, decorating for the Queen Mariner Dance, selling an innumeral number of doughnuts, and donating money to the World Service Fund. Theta-Chi also attended church regularly with various Tri Hi-Y's from Bayside and other schools. To become a member of this worthwhile organization one must maintain a good scholastic average and be willing to serve.

Ocracoke Visited by Atlantic Ecology Club

Bayside's Atlantic Ecology Club was unique; although they carried on no regular projects, the members of this club were most active in the school. Its purpose was scientific study through the collection of specimens and the analysis of their environment. Among the places the members visited were Ocracoke, Fisherman's island, Rudee Inlet, Lynnhaven Inlet, and most important of all Key West, Florida. Here members were the guests of the commanding officer of the Key West Naval Station. Every day, members swam one mile off shore to collect specimens. Among other things, they collected bizarre tropical fish and exotic shells. On their return, those who had taken the trip gave lectures to elementary school students concerning their experiences and sold some of their specimens to finance the trip.

"Le Cercle Francais" Shows French Films with English Subtitles

"Le Cercle Francais," Bayside's French Club, was completely reorganized this year. The name was new and the whole program had been changed. The club was striving for a new image and did succeed. To promote interest in all aspects of French culture was the purpose of "Le Cercle Francais." In addition to hearing speakers on French culture, members went Christmas caroling at a local hospital, sponsored the showing of a French film with English subtitles, and held their annual French banquet in the Bayside cafeteria. Membership in this club was open to any interested French student with a passing average.

Karen Fenlon and Tania Alexander review information on the club's Bolivan orphan.

Bayside's Spanish Club served the community in many ways this year. Under the leadership of Tania Alexander, members conducted a soap drive and collected Kool Aid for the men in Vietnam. A pet project was the support of a Bolivian orphan. To improve their understanding of Spanish culture, members ate at a Spanish restaurant. This club was open to any interested student taking a course in Spanish.

"Deutscher Verein" Holds Annual German Banquet

"Deutscher Verein" fulfilled its goal of learning about Germany's culture in many ways this year. Members of the club listened to guest speakers, saw slides of Germany, and heard about Miss Clark's trip to Germany. The club made beer stein B's to wear during Homecoming Week, and held their annual Christmas banquet in old German tradition. Mardi Gras German-style ended a fun year for these German students.

Surfers Carry Boards to Nags Head

Going into its second year, the Bayside Surf Club grew in size as well as enthusiasm. The purpose of this club was to promote the fascinating sport and to inform the general public about surfing. This spring the Surf Club presented a movie on surfing and co-sponsored a dance in March. The Bayside Surf Club was instrumental in the formation of high school surf clubs in that they were the first to organize 2 years ago, and they have actively led the way since.

Although handicapped during the football and basketball season, the club completed an amazing number of projects. Answering the call of the SCA, members collected fines on Quiet Day and parked cars during Open House. Helping out the Booster Club, the members sold many of the red and gold beanies seen around school. The club also co-sponsored a very successful dance after the Kempsville game, Bayside's last home game.

Red and Gold Uniforms Sported by Pep Club

Interest being the only requirement for joining, the active Pep Club enlisted fifty-five members into its ranks. This year, for the first time, members sported bright red uniforms on game days. During the football season, Friday afternoons of home game days found girls balancing gingerly on ladders and boys swinging on the goalposts to decorate them for the game. "Color Cradock Crunched," the club's entry in the Homecoming float competition, was industriously worked on by all. Pep ribbons and pom-poms were also made and sold during Homecoming Week. By working with the cheerleaders and presenting a musical in January honoring the football and basketball players, the Pep Club exemplified Bayside's appreciation of its athletes.

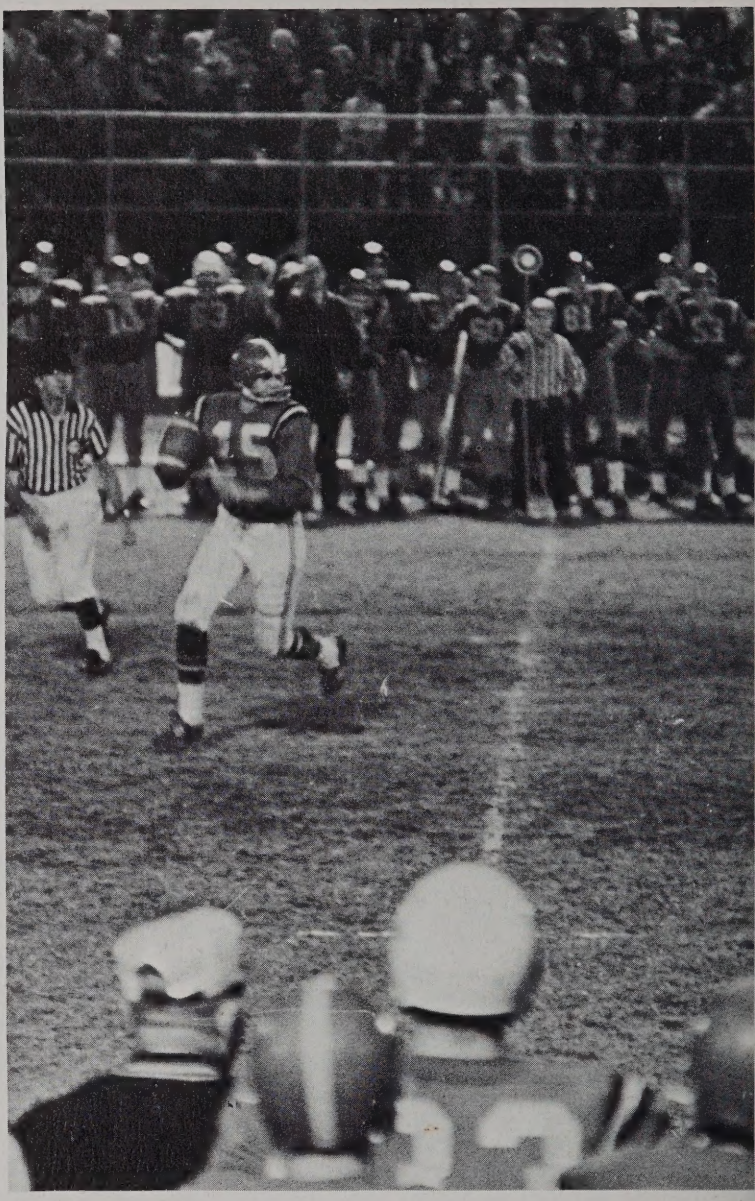
1968 MARLINS Enter Football Arena In Fifth Season

Mike Dow (87) grapples Cox foe in the opening game.



Tom Chipok (15) looks down field for receiver against Kempsville.

Bayside's football team, unsuccessful in ten outings, opened the season against city-rival Cox with a game characterized by rugged defenses. Marching to the Cox three-yard line, the Marlins were unable to score before the half ended. The games's only score came in the third quarter as Cox plunged over the goal line to make the score 7-0.

Although producing a better air attack against Granby, the second Marlin outing was primarily a fierce defensive bout. Due to brutal defenses by both teams and staggering penalties against Granby, the game remained scoreless until the fourth quarter when Granby crossed into the end zone twice for twelve points.

Facing First Colonial in the third game, Bayside took the opening kick-off to the three-yard line before losing possession of the ball. The Marlins equaled the Patriots in every game statistic except rushing, and this proved to be crucial, as the running game turned out to be the winning factor for unbeaten First Colonial. The Patriots put the game out of reach in the closing minutes of the first half when they scored after a sixty-five yard drive. The final score was 25-0, First Colonial.

Against Kellam, the Marlins scored their first touchdown with a thirty-five yard pass from Tom Chipok to Roger Thompson. The aerial offense produced 125 yards, nearly twice that of Kellam. The Knights then cashed in on two blocked punts to score. The final tally was Kellam 28, Bayside 6.

Barbara,

(Next year my picture's gonna be all over in this section. I'm going to dedicate myself to the football team) It's been alot of fun this year. I'd just recently gotten to know you better but I think maybe next year we can be even better friends. I hope so anyway! You have a really great personality and I'm not just saying that (Gawsh!) Anyhow, have a good time this summ and we'll see ya next ya

Bye,

Traveling to Chesapeake, the Marlins clashed with the unbeaten Hornets of Deep creek. The combination of Tom Chipok and Roger Thompson once again proved profitable as a 66-yard scoring strike from Chipok to Thompson with 2:15 remaining in the third period kept the Marlins from being shut out. However, under the command of quarterback Jackie Young, the Hornets used a passing offense to their advantage and the score ended 32-6 with Deep Creek in the lead.

Bayside's second homecoming game found Cradock on the home field. After scoring 20 points in the first half, the Cradock Admirals were forced to play a savage defensive second half in order to retain their lead. The determined Marlins were unable to score as the tally ended 20-0 in Cradock's favor.

A fired-up Marlin team appeared on the Princess Anne field to battle the Cavaliers. Bayside out-passed, out-ran, and virtually out-played the defending state champs, but were unable to score. This rugged defensive game remained scoreless until the final two minutes of the fourth quarter when PA cracked the Marlin wall for 6 points. Bayside fought to come back, but the final score remained 6—0, PA's victory.

Playing at Foreman Field, the Marlins faced Lake Taylor for the last game of the season. Bayside scored late in the second quarter when Ron Colson charged his way over from the one. Instrumental in the scoring drive was Sophomore Lloyd Bohn who carried the ball thirty times throughout the game for 98 yards. At the end of the first Bayside led 7—6. Lake Taylor bounced back in the second half, defeating the Bayside Marlins 21-7.

The '68-'69 basketball season at Bayside showed many outstanding Marlins giving their all in each game. The scores of each game did not indicate the spirit and determination of the team. Again and again the Marlins were outscored in the final tally by ten points or less. Two games, Kempsville and First Colonial, went into overtime only to have the games slip away. Facing Kellam twice, the Marlins played a ferocious game, each time losing by two points. The second Marlin confrontation with Kellam saw Bayside ahead 40-38 at the half. In the second half, the lead changed hands continuously; but at the final buzzer Kellam had squeaked past Bayside by two. It is said that if a team tried their best, then no matter the score, they won. Thus it was with the '68-69 Marlin basketball team.

Proving that the 1968-69 rebuilding program was successful, six varsity matmen finished the season with winning records. They were Joe Honeycutt (11-2-1), Joe Daversa (10-4), David Austin (10-2), Jim McClurg (6-5), John Daniels (9-5), and Todd Gallagher (8-6). Although most of the varsity wrestling squad were Seniors, Coach Maynard expects to present an equally strong team next year as a result of newcomers from the J.V. team.

Bayside baseball in 1968 finished with a 6-8 record. Bayside's Marlins lost four games in the last inning on defensive errors. With five lettermen returning, the Marlins were a strong defensive team this year with experience at every position, including pitching. Two of the outstanding pitchers in the Eastern District this year were Ronny Bryan and Lefty Barba, both returning lettermen. Coaching the Marlins in his last year was Mr. Joe Cox. His dedication and hard work toward making Bayside a winner were greatly appreciated, especially by those who were on his team.

Although faced with a lack of depth on the team, Coach Griffin looked forward to the 1969 tennis season with optimism. Four players returned from the '68 team, including Jeff Wyatt, who finished the season 7-2. Other returning members were Warren Brock, Chuck Wise, and Mark Riley. The 1968 team, which had only one player with varsity experience, posted a 3-5 season, which included victories over Norview, Lake Taylor, and Kellam. Ten varsity matches were planned in 1969, the first in March against B.T. Washington.

With returning members Gil Bland, Bill Dent, Doug Bland, and Steve Chipok and a newcomer Tim Norgart added to the roster, Coach Parker was insured of an equally successful season this year.

Cross Country, Indoor Track Hampered by Key Injuries

Probably the most physically taxing of all the phases of track, the cross country team completed its fourth season. A victory over rival Princess Anne highlighted the season. In addition to losing Pete Leavitt from cross country as a result of an injury, the Bayside track team was stunned at the loss of record holder Wayne Ross resulting from a broken leg. Arriving at the Eastern District Track meet at Frederick College, Wayne Beagle slashed seconds off the BHS two mile record as Jimmy Witt highjumped to a record shattering 6'1".

Jim Carmack prepares for upcoming track season.

Bayside track, under the coaching of Mr. Vesprille and Mr. Daly, looked forward to a much improved season in 1969. Strength was found in the long distances and the sprints. The loss of record holder Wayne Ross, as a result of a broken leg, seriously hampered the Marlins in the sprints. This was overcome by the depth that the track team had due to the extraordinary turnout in 1969. Standouts in '69 included record breaking high jumper, Jimmy Witt, two miler Pete Leavitt, and pole vaulter Mike Maziarka, Marty Deafenbaugh was a stong contender as well as Jimmy Higgins, who had worked for the past five years on perfecting his style in the hurdles. The '69 track team had the ability to win the first places and the depth to bring in the seconds and thirds, which resulted in a well-rounded winning team.

Junior J.V. Football Team Posts Winning Season

1968 J.V. football team was plagued by a lack of experienced Sophomores as many of them played on the varsity team. This deficit was instrumental in nearly every game as Bayside, although frequently leading in the first half, could not maintain the point advantage in the second half. Even though posting a 0-6-1 season this year, Coach Parker is looking forward to a better season next year. Recruits for next year's team were well—trained in the successful 1968 8th grade team.

Eighth grade football, a newcomer at Bayside, battered the other schools to attain an admirable 4—1 record. The purpose in forming the Junior J.V. team was to teach the basic fundamentals of the sport to the potential varsity football players. In this way a unified and knowledgable team would advance to J.V. position the following year. Through the efforts of Coach Snyder, the overall season ended successfully.

J.V. Basketball Ends Losing Streak

BHS's J.V. basketball team tasted victory for the first time in 30 games in a resounding victory over Granby, 64-44. Never trailing in the game, the Marlins sliced through a porous Granby defense. The next game found the Marlins on the home court of Kempsville. Bayside dominated the ball game as the score ended 52—38. Lake Taylor was the next victim of the high-riding J.V.'s. The Baby Titans were no match as the final tally showed Bayside 64, Lake Taylor 54. High scorer of the J.V. Marlins was Richard Poole, averaging 15 points per game, while the most-points-in-one-game record belonged to Don Johnson, sinking 26 points for the Baby Marlins. Overall, the season proved profitable in experience gained and better skills achieved.

J.V. Wrestlers Push Aside Opposition For 11-3 Season

Under the supervision of head wrestling coach, Charles Maynard, the Bayside J.V. wrestling team swept eleven schools under the mat to attain its best season in its brief history. Individual standouts on the squad included Steve Assid, Jerry Hazelbaker, Mark Edwards, Jerry Pyne, Gene Limbaugh, and Bobby Gentry. One of the most unique matches in Bayside history came against Granby. After both teams weighed in before the match, for some unknown reason the Bayside grapplers wrestled Grandby players that came from higher weight groups. The mistake was not noticed until the closing moments and then it was too late. The success of the J.V. wrestling squad assured Coach Maynard that the replacements to the varsity team will hold their own against anyone.

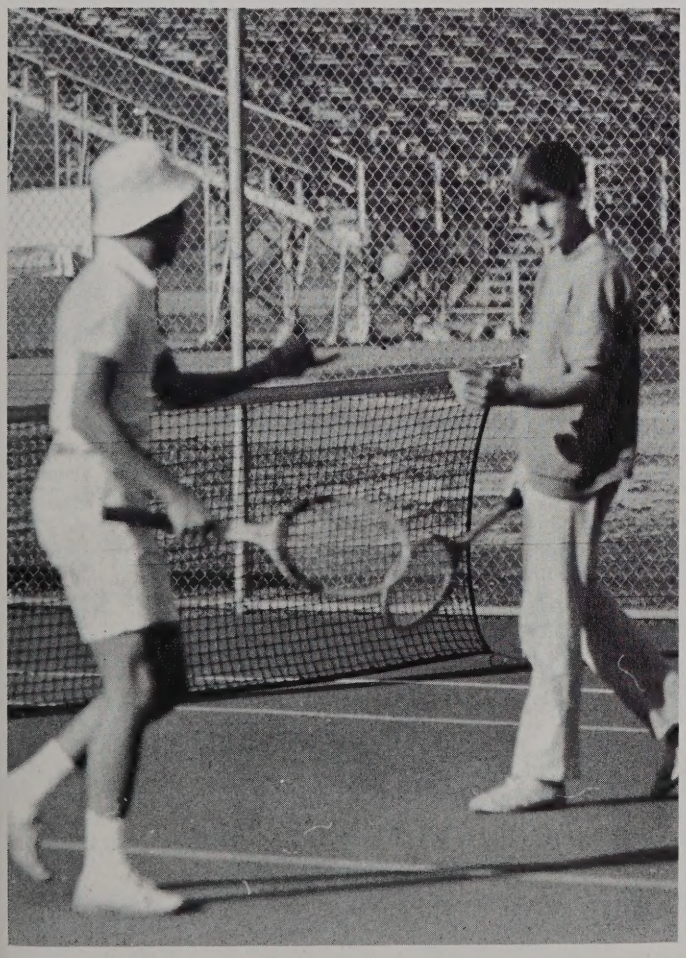
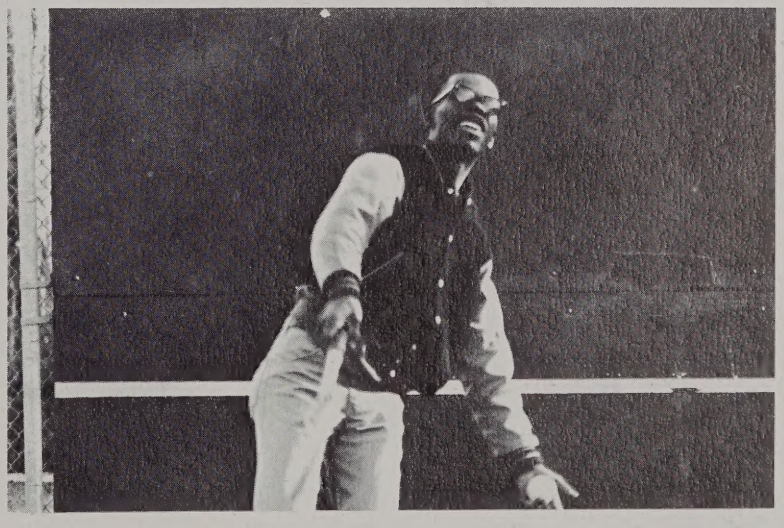
J.V. Baseball, J.V. Tennis Are Backbone of Varsity



Bob Riley tosses the ball to Emmanuel Asercion.



Coach Griffin shows the J.V. how it's done.

A large turnout in 1969 for J.V. baseball strengthened hopes for a strong season. Under the supervision of Mr. Johnson, the team perfected techniques in base running, fielding, and hitting. Although not officially recognized as a J.V. sport, J.V. tennis was comprised mainly of underclassmen. Several matches were planned for the season so that when the J.V. players reached the varsity level, they would have experience.

'68-69 Judo Club Enlarged

Mark Ficca throws Don Taylor using O—soto—gari, a leg sweep.

Continuing into its second year, the Bayside Judo Club enjoyed increased membership and a more active participation as a result of the leadership of club president Charlie Monahan. The basic purpose of the Judo Club was to develop, through study and practice, a better knowledge of the history of the sport. On many occasions the club met in the gym for practice. The members dressed in gis and competed with one another in matches called randoris. In randori the difficult throws such as Tomoe—Nage (stomach throw) and Tsrui—comi—goshi (inside shoulder throw) as well as the relatively simple Taitoshi (side body drop) were perfected.

Hockey Team Upsets Tidewater Tournament

Entering into the 1968 season, the girls' hockey team played with enthusiasm and gusto. With only two seniors on the team, the year was one of rebuilding. The year appeared to have been in vain as a result of numerous losses until Bayside entered into the Tidewater tournament. Although the other teams were highly favored, Bayside proved to be a valiant opponent on the rain-soaken and chilly field. Bayside's hockey team soundly upset York high 2—0 and tied Glouchester. With so many underclassmen on the team, the hockey squad can be assured of being a giant in the near future.

The second year of the gymnastic team proved to be fruitful for the growing team. Under the coaching of Mr. Wilson, the team met other city schools in gymnastic meets. In addition to competing with other schools, the Bayside team viewed meets between ODC and W&M, and ODC and VPI. New uniforms were added to the team's attire. Although there were many individual standouts on the gymnastic team, Bentley Jensen showed himself to be one of Bayside's finest. With an increased interest in gymnastics as was shown this year, gymnastics surely found its home at Bayside.

Coordination and grace accented the activities of the Bayside girls' gymnastic team. Ten girls represented Bayside in a meet with First Colonial. Alice Hill was captain of the group which practiced four days out of a five day school week. A regional meet was held March 15 at Warwick where Bayside was also represented. The gymnastic team was composed entirely of underclassmen. Under the direction of Miss Nocher, the gymnasts practiced intricate routines on the uneven bars, the beam, as well as free exercise on the mats.

Vitality, spirit, and enthusiasm were just a few of the key words in describing this year's varsity cheerleaders. Win or lose, rain or shine, the cheerleaders were at the games displaying their tireless efforts to support our teams. Their long hours of practice were evident by their skill and precision. Included in their activities this year were two dances, one at the end of the football season and the other terminating the basketball season, bake sales, and car washes. The cheerleaders also held a breakfast in honor of the football players.

Always enthusiastic, Bayside's J.V. cheerleaders cheered with boundless energy at not only the J.V. games, but also the Junior J.V. games. During the summer, many practice sessions took place and a car wash was held in August. Bake sales, car washes and dances were sponsored by the J.V. cheerleaders. The cheerleaders held a cook-out for the J.V. football players and baked a cake for the J.V. basketball players to celebrate their first victory in thirty games. As a result of their efforts, it was hoped that the J.V. players realized the respect that Bayside students had for them.

Barbara -
you are one of the craziest girls I have ever met since I've gone to Banside. Remember all the good times we have had together. Thanks for listening to all my problems and questions. Good luck with Clay. Be good.

Always,
Judy Green

Barbara,
It sure has been great knowing you this year and I enjoyed helping you in geometry. Good luck always, stay sweet and God bless.
Love ya.
Bill Pipes

Barbara, I can't believe we've struggled through another year of math together. I only wish you were taking it next year. What will I do? Well, I'm sure I'll see you this summer (summer school, surfin') Maybe you'll decide to take Math analysis
Ivy '70

Barbara,
You one of the sweetest and cutest girls I know. I've enjoyed talking to you in Spanish this year. Good luck always!

Love
Robert Cucelli

Barbara,
Always stay the same & you don't have to worry about anything! It was GREAT knowing you this year & hope to see ya next year.

Luv ya,
Patty Law
"Eventually"

History was such a bore and Spanish wasn't much better? I hope we both have packed more interesting for next year. Good luck

Barbara —
You better not forget me!
All the good times I've had
Spanish & English. Best
wishes. I'll see you
this summer. Remember our
date for the Tiki.

Mike

To a great friend & fellow Y-Teen, whom I'm so glad to know. Hope we become better friends as the years grow. Spanish is about over - At last! We came on average of 3 or 4 days a week. Have fun this summer - And I wish you best luck in everything especially...

Fuller

Barbara;
Well in a little
while we'll be saying
good bye for a while but
we'll see you next year.
Have a good year in
English and has lots of
fun. Take it easy and
don't let anything ~~to~~
happen to ya in the
summer. I think your
great. Till next
year Mickey Kerr

Barbara,
To one of best friends
and, and best have,
a guy could have.
Stay sweet forever.
